AMITA SHUKLA : WHY MASTERING YOUR MIND IS THE SECRET TO SUCCESS

Founder & CEO of Vitamita

Amita Shukla focuses on creating transformative innovations for human health, well-being, and potential. She is the founder and CEO of Vitamita and the author of *Enduring Edge: Transforming How We Think, Create and Change*. Previously, she spent nine years at New enterprise Associates, a leading venture capital firm, where she invested in cutting edge healthcare innovations. Shukla regularly mentors entrepreneurs, advises organizations, and speaks to audiences of innovators and leaders across sectors on mastering the mind for success. Shukla holds a BA in biochemistry from Harvard, an MBA from Stanford, and 10 patents and she is an alumna of CHS.
